Let Economy Be Your Guide

Alone in the mountains without a guide!

A ticklish situation for a city deer hunter who is unfamiliar with wooded country.

But why be without a guide?

There are plenty of them in every mountain, ready and willing to offer their services. They know the "licks" and haunts of the deer and can lead hunters to advantageous spots.

It is of great value to Richmond's inhabitants to make use of the "guides" in the Dispatch's classified section.

These little "guides"—the classified ads—can point out to YOU a house or apartment where you can live at moderate cost or a place where you can get at a bargain the extra furnishings your house needs.

There is class to the classifieds! Read them.
